

Name:G.Amrutha

Reg no:192511250

Course code:CSA1013

Course name:software engineering

The screenshot displays the Jira web interface. At the top, there's a navigation bar with the Jira logo, a search bar, and buttons for '+ Create', 'See plans', 'Ask Rovo', and user avatars. The left sidebar contains a 'For you' section with links to 'Recent', 'Starred', 'Apps', 'Plans', 'Spaces', 'Import work', 'Filters', 'Dashboards', 'Teams', and 'Customize sidebar'. The main content area shows the 'Customer Relationship Management System' space. Below the space name, there are tabs for 'Summary', 'List', 'Board' (selected), 'Development', 'Forms', 'Timeline', 'Docs', and 'Reports'. The 'Board' tab displays a Kanban board with four columns: 'To Do' (1 item), 'In Progress' (2 items), 'In Review' (1 item), and 'Done' (0 items). Each column contains a card representing a task. The 'To Do' column has a card for '(Sample) Generate Interaction Reports' with a sub-task '(Sample) Customer Interaction Tr...' and a checkbox for 'CRM-6'. The 'In Progress' column has two cards: '(Sample) User Role Assignment' with sub-task '(Sample) User Management' and checkbox 'CRM-4', and '(Sample) Log Customer Interactions' with sub-task '(Sample) Customer Interaction Tr...' and checkbox 'CRM-5'. The 'In Review' column has a card for '(Sample) User Registration' with sub-task '(Sample) User Management' and checkbox 'CRM-3'. The 'Done' column is empty. A small 'GA' avatar is visible in the bottom right corner of the interface.
